I. PURPOSE

The purpose of the Acquisition and Development (A&D) Program (the "Program") is to:

- A. increase or maintain the community's supply of affordably-priced homes for low- to moderate-income homebuyers; and
- B. assist the City of Austin with meeting its stated affordable housing goals and objectives.

A low- to moderate-income household is defined as having a total annual household income at or below 80% of the Median Family Income as determined by the U.S. Department of Housing and Urban Development (HUD) for the Austin-Round Rock, San Marcos, TX Metropolitan Statistical Area (MSA). An affordably-priced home is defined as a completed home that can be purchased by a qualified, income-eligible household having the ability to obtain for a first lien mortgage from a recognized mortgage lender.

Through the Program, developers are provided increased financial capacity to meet necessary project development costs. The Program provides financing to for-profit and non-profit developers, including Community Housing Development Organizations (CHDOs), for the acquisition, rehabilitation, and new construction for affordable ownership housing.

II. DISCLAIMERS

- A. The Austin Housing Finance Corporation (AHFC) reserves the right to fund projects at a lower amount than requested, and the right to deny applications that do not coincide with the City's FY 2012-13 Action Plan goals and policy direction from the Austin City Council. The Program is under no obligation to consider or fund any proposed project that does not meet program requirements and assist in meeting the City's affordable housing policy goals and/or objectives.
- B. The City of Austin/AHFC reserves the right to determine project eligibility and the fund source to be used for any proposed project. Funding decisions will be based on a variety of factors, not just application scores. Other factors considered are:
 - 1. the applicant's current workload;
 - 2. financial capacity;
 - 3. the project's potential for transformative impact on residents and the surrounding community,
 - 4. repayment of funds borrowed from AHFC; and
 - 5. whether the request for funding is for a project that has previously or is currently receiving A&D funds.

Additional consideration is given to how the A&D Program can best maximize the effect of A&D funding and leverage other funds.

- C. These A&D Program Guidelines are not intended to address every circumstance that may be encountered in the development process, nor are they intended to be a verbatim restatement of all regulatory requirements. Omission of any federal or local regulatory requirements in these A&D Program Guidelines does not relieve the City of Austin, AHFC, or the recipient of A&D Program funds from their respective obligations as may be required by the funding source involved.
- D. A&D Program guideline changes required as the result of federal, state or local regulatory or legal requirements may be implemented immediately by the NHCD Director/AHFC Treasurer.

III. FUNDING

Subject to the requirements and limitations of A&D Program funding sources, including General Obligation Affordable Housing Bond (GO Bond) issuances authorized by Austin voters in November 2006, the Program is expected to provide financing for the acquisition, rehabilitation, or new construction for affordable homeownership projects. The A&D Program is administered on behalf of the City of Austin by AHFC using a variety of funding sources, including:

A. FEDERAL FUNDS

- 1. HOME (Home Investment Partnership Program);
- 2. CDBG (Community Development Block Grants);
- 3. NSP (Neighborhood Stabilization Program); and
- 4. HOME or CDBG Program Income.

3. Proceeds from GO Bonds.

Because of extenuating circumstances, a non-performing organization (not in good standing) may request consideration from the AHFC to provide a temporary good standing designation in order to allow the organization to receive further funding considerations or amend existing contract conditions. At its sole discretion, the AHFC may consider a temporary good standing designation for the organization to provide time until the compliance issues have been adequately and timely resolved by the organization. The AHFC may consider providing this temporary designation, if the non-performing organization provides documentation of the following:

1. Demonstrate the outstanding compliance issues are beyond reasonable expectations for immediate resolution, and
2. Demonstrate the lack of needed funding or contractual actions would be significantly detrimental to the organization, and
3. Provide an acceptable date specific action plan that delineates organization activities designed to resolve all outstanding
4. documented performance, financial or monitoring compliance issues.

Should the non-performing organization provide sufficient just cause as identified above, the AHFC may provide a temporary good standing designation. The AHFC, at its discretion, may withdraw the temporary designation if the organization fails to perform in accordance with the terms and/or timeframes agreed upon. A non-performing organization designation will eliminate the organization from any current or future consideration for funding or contract extensions. The AHFC is under no obligation to provide or extend temporary organization in good standing designations in which the contractor has consistently demonstrated its lack of adequate responsiveness to the outstanding compliance issues.

 - vi. have energy-saving repairs or improvements made and major housing systems repaired or replaced.
- c. Each of these amounts is inclusive of the \$2,500,000 total assistance limit in Section VI.A. above.

3. New construction of affordable housing.

- a. Hard and Soft Costs as defined previously will be limited to:
 - i. \$60,000 per unit in multi-unit structures, and
 - ii. \$80,000 per unit in single-unit structures.
- b. Each of these amounts is inclusive of the \$2,500,000 total assistance limit in Section VI.A. above.

B. Developer Fees

Developers', builders' or project management fees may not exceed 15% of the total project cost. AHFC will determine the amount of a reasonable development, builder, or project management fee in an amount not to exceed 15% of total project costs.

VII. AFFORDABILITY REQUIREMENTS

A. Assisted Units

When A&D funds are used to assist homeownership projects, certain income and sales restrictions apply to the A&D-assisted units for a defined term called the "affordability period." Projects may have a mix of A&D-assisted and non-assisted units. The distinction between assisted and non-assisted units allows funds to be expended on mixed-income projects while targeting A&D assistance to income-eligible households. At least 10 percent of all units in the project must be designated as A&D-assisted units.

B. Affordability Period

When A&D funds are used to assist ownership projects, income restrictions apply to the A&D-assisted units for a defined period of time called the "affordability period." Depending upon whether A&D assistance is provided directly to the developer or directly to the homebuyer, a home's affordability period is enforced using a legally binding document, a "Restrictive Covenant Running with the Land" that will be filed for record in the Official Public Records of Travis County, Texas.

An Affordability Period will be established for each residential unit assisted with A&D funding. The **preferred** affordability period will be for a period of not less than 99 years, using a shared equity or Community Land Trust model of homeownership. Another acceptable mechanism is a "Right of First Refusal" using the "Resale method" whereby the home must be sold to another low- to moderate-income buyer.

The following affordability

1. GO Bond funds in any amount: a period not less than 10 years.
2. Federal or Non-Federal Funds other than GO Bond, depending on the amount of subsidy per A&D-assisted unit:
 - a. \$1,000 to \$15,000 per unit – a period not less than 5 years
 - b. \$15,001 to \$40,000 per unit – a period not less than 10 years
 - c. More than \$40,000 per unit – a period of not less than 15 years

AHFC at its discretion may require a longer affordability period than those stated above. Affordability requirements and restrictions will remain in force throughout the Affordability Period regardless of transfer of ownership unless ownership of the property is transferred through foreclosure proceedings.

An Affordability Period will be established for all affordable units in homeownership projects assisted with A&D funds. AHFC will control the resale of the homebuyer property during the affordability period either by using *resale* provisions or by using *recapture* provisions, depending on the type of assistance provided, and as further described in the NHCD/AHFC Resale and Recapture Policies and Procedures document.

C. Income and Occupancy Requirements

A&D-assisted homeownership units must be sold to households earning 80% MFI or below. However, AHFC shall set the following goal to provide assistance targeted toward households with annual incomes at or below 50 – 65% MFI.

D. Income Determination Method and Timing

The Applicant shall determine income eligibility using the “Part 5” annual gross income method of income determination (24 CFR 5.609), as outlined in the publication, *Technical Guide to Determining Income and Allowances for the HOME Program*, available from AHFC. AHFC must review applicable source documentation to verify annual income. Income qualifications must be completed in accordance with the timeframes outlined above, and need not be reexamined at the time the assistance is actually provided.

The low-income household shall be income eligible according to the following timing:

1. In the case of a contract to purchase existing housing, at the time the purchase contract is signed
2. In the case of a contract to purchase housing to be constructed, at the time the purchase contract is signed, and
3. In the case of a lease-purchase agreement (for existing housing or housing to be constructed), at the time the lease-purchase agreement is signed.

- D. **Market Need.** An analysis of the need for the type of proposed housing and the number of units being proposed in a project will be assessed by using one of the following methods:
1. an assessment will be conducted “in-house” using available economic data from a variety of sources;
 2. AHFC may elect to contract with a professional or a company specializing in marketing analysis; or
 3. AHFC may elect to review and verify a market analysis performed by others, such as a developer, development partner, or other funder (public or private).

IX. OWNERSHIP REQUIREMENTS

A. Types of Ownership.

The program requires ownership of the property using one of the approved forms of ownership described below. Families and individuals own the property if they:

1. Have fee simple title to the property, or
2. Maintain a 99-year leasehold interest in the property through a Community Land Trust or other similar vehicle, or
3. Own a condominium, or
4. Own or have a membership in a cooperative or mutual housing project that constitutes homeownership under Texas law, or
5. Maintain an equivalent form of ownership approved by the AHFC.

B. Principal Residence.

Purchasers of A&D-assisted affordable housing must occupy the properties as their principal residence for the applicable term of the affordability period. This requirement will be reflected in a restrictive covenant running with the land and/or in loan documents between the purchaser and the AHFC. The AHFC and/or the City of Austin may take such additional measures deemed necessary to ensure and/or enforce compliance with this requirement.

X. PROJECT FEASIBILITY

XI. FINANCING

The program staff will review and underwrite applications and make recommendations as to eligibility, funding, terms and conditions. The amount of assistance will be determined on a case-by-case basis. Under no circumstances shall financial assistance be used for any reason or cost other than for direct costs associated with and approved by the program. Construction activities shall be governed by the specifications based on approved plans.

A. Timing Requirements

Acquisition of vacant land can be financed with A&D funds, only if construction will begin on the project within 12 months of purchase. Demolition of an existing structure may be funded through A&D, only if construction will begin on the project within 12 months following demolition.

B. Lien

A lien will be placed on the property for which a loan has been made. The lien shall remain in place until all loan terms and conditions have been fulfilled. A Release of Lien will be issued upon full repayment of the loan and fulfillment of all contractual terms.

In the case of a multi-property project or subdivision, the lien will be partially released as each home is sold to an Eligible Household and, if required, after repayment to AHFC is made for the release amount of the property as described in the Loan Documents.

C. Loan-to-Value Ratio

AHFC loan amounts will not exceed 80 percent of the after-built home value.

D. Collateral

Any assistance provided will be secured by a Deed of Trust or other acceptable collateral. The AHFC Deed of Trust may be subordinated to private or other financing only if determined necessary for project implementation. Assistance generally will be non-recourse with recovery rights limited to the encumbered collateral and any income there from.

E. Renegotiation of Loan Terms

At its sole discretion, the AHFC may consider renegotiation of loan terms and conditions if by doing so increases the creation of the number of affordable ownership housing units, and/or achieves a more favorable interest rate on any superior loan. Under no circumstances will the Program consider a request to renegotiate loan terms and conditions, if to do so takes equity from the project that will not be used directly in the project itself or places the Program in a lesser lien position without resulting in a reasonable and direct affordable housing benefit. The Program is under no obligation to consider any request to renegotiate any existing loan terms and conditions. It is the intent of the Program that all approved terms and conditions will be honored and met by the project and its owners. It is the policy of the Program that only under certain limited circumstances or situations will any such request be considered. At its sole discretion, the Program may consider renegotiation of loan terms and conditions if by doing so increases the creation of the number of affordable housing units.

XII. APPLICATION and REVIEW PROCESS

All requests for funding shall be submitted in the form of the A&D Project Proposal Application (**Attachment 1**). The Program will notify the Applicant in writing of a decision to approve or disapprove of any application. Unless provided in writing by the Program, no person or organization shall construe any discussions held with Program staff or written information provided to constitute an acceptable application or an obligation or commitment for funding.

A. AHFC Staff Review

Applications are given an initial review by Program staff (Application Review Staff) for completeness and to ensure the minimum threshold requirements are met. Incomplete applications may be returned to the Applicant with deficiencies noted. In addition, the Program reserves the right to accept or reject in part or in whole any complete application.

Applications that meet the minimum threshold requirements are scored by a panel of at least 3 AHFC staff members (Scoring Staff) knowledgeable in the development process. The Application Review Staff are not involved in scoring applications. The scoring panel uses the A&D Scoring Criteria developed for the Program. (**Attachment 2**). Applications must meet a minimum score in order to be considered further. **However, submission of an application that meets or exceeds the minimum score is not a guarantee that the proposed project will be funded.**

Applications that are likely to be recommended for funding will receive further consideration by a cross-departmental Project Review Team composed of NHCD and AHFC staff. The Project Review Team will discuss programmatic, regulatory, and administrative aspects of a proposed project before a final recommendation is made.

The Program may take up to 60 days from the date a complete application is accepted to determine whether the project may be recommended for funding or denied. Although not all inclusive, the Program may not provide any obligation or commitment for funding to any proposed project unless the project meets the following minimum consideration criteria and those stated in other sections of these guidelines:

1. All other required project financing must be in place or have evidence of funding obligation and/or commitment;
2. All requested documentation and/or information by the Program has been provided;
3. If required, all applicable environmental review and assessment has been performed.

The Housing Bond Review Committee will review staff recommendations for projects recommended for funding with GO Bond funds in amounts greater than \$100,000.

B. Housing Bond Review Committee (HBRC)

The HBRC is the body appointed to review staff recommendations for those projects expected to be funded with GO Bond funds ***in excess of \$100,000***. Projects recommended for funding by the HBRC will be presented to the AHFC Board for consideration. - The City and AHFC, in sole discretion, may accept, in part or whole, or reject, in part or whole, any recommendation of the Committee.

3. Conflicts of Interest

The City of Austin Conflict of Interest Rules, and all other applicable state and federal laws, shall apply. 4. Term

The term of membership service for community members shall be until resignation. The term of membership for CDC members shall coincide with their service on the CDC.

In the event a member is unable physically to attend a meeting, as an alternative, the member may participate by speakerphone. The alternative attendance does not void the member's right to vote or otherwise participate in the proceedings of the meeting.

6. 4. Removal

A Housing Bond Review Committee Member may be removed by the NHCD Community Development Officer for more than two unexcused absences annually.

XIII. PAYMENTS

Payments for eligible project costs are made according to the conditions described in the AHFC Loan Agreement and not more often than once monthly, unless otherwise authorized by AHFC. Eligible project costs must be documented with each request for payment for the purpose of supporting the amount requested. AHFC will verify the work completed and determine the amount of funds to be paid. AHFC will disburse the funds reasonably in proportion to the progress of the project with the right of retaining a portion of such funds pending final completion of the project, in accord with the Loan Agreement. AHFC will disburse a final payment of any retained amounts per the conditions described in the Loan Agreement.

The Program retains the right to withhold or temporarily suspend payments to any project that:

- has failed to perform according to the terms and conditions of the Loan Agreement,
- is behind in submitting required, timely or incomplete reports, documents or information required or requested by the Program, or
